To Cross Country Motor Club

We at Greater Boston Motorsports-BMW Motorcycles of Cambridge are writing to inform Cross Country Motor Club that from now on all Honda, BMW or other motorcycle, atv etc. from any manufacturer covered by Cross Country Motor Club be towed only by Thom Calantropo and Iron Horse Transport (vender # 11550). We have been doing business with Thom and Iron Horse for close to 5 years now and have found him to be the most professional tower of motorcycles we have ever dealt with. Thom's attention to the service of our customers has been phenomenal! We thank you for putting this into action .
